HOUSE OF SPIRITS: Discovering a New
Vogue for Vintage in Avignon

STRICTLY MILAN:
The Dance Studio Home where Strong Colours Lead

inspiration

1. Maximize color in the glow of twilight without falling in the dark. Marissa & Langley's luminous black could be the answer. Opt for a natural fiber seat cushion for the ultimate in elegance (page 104). For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

2. The perfect lamp for the space (the page 107) has a soft glow for the bedroom. Choose a table lamp instead for more flexibility in styling (page 104). For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

3. The emphasis on the table's living room design by Susan Padilla is highlighted in yellow. Padilla's design (page 104) features a neutral color palette with a bold, graphic pattern in red, green, and blue. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

4. A striking side table for the bedroom of Susan Padilla's design (page 104) is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

5. A chair with a blue and white patterned seat cushion is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

6. A table with a blue and white patterned top is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

1. The design of the sculpture is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

2. The design of the sculpture is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

3. The design of the sculpture is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

4. The design of the sculpture is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

5. The design of the sculpture is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.

6. The design of the sculpture is a perfect example of a design that is both functional and stylish. For more on its uses, see 107. For more information on the design, visit 104, or visit marissalangley.com.
